Thank you to our wonderful P & C for raising over $400 in recent times to help our students have extra equipment and experience extra fun activities. Steve Harris, the Director of Public Schools for our area attended the last meeting. Many questions were asked by staff and parents and answers were given. Ask one of our committee or someone who attended if you would like to know more.

You Can Do It - Getting Along
We have been talking about how we can react when something happens that we do not like.
Stop = Tell the person to stop.
Walk = Walk away from the problem
Talk = Let a teacher know if the problem continues.

Harris Farm
Thanks Harris Farm Markets for donating $350 to our school. We are using this to promote ‘Crunch and Sip’ at school as well as to provide taste testing of different fruits. Yummmmmo!!

Year 6 Leaders
Our four school leaders and two house captains have been at the Grip Leadership conference today. We can’t wait to hear what they have learnt and to see if they have any ideas for our school.

Pet Visit
On Monday the Junior class will have visitors to talk about how we should care for our pets. Many of us have pets and it is a wonderful way to teach young children about responsibility for others.

Canberra Excursion
Years 5 and 6 need to get their deposit of $50 in by next Wednesday. We need to confirm numbers so don’t miss out. The total amount will be approximately $250 for 3 days of fun in our national capital.

Fun Run
Our school Fun Run has been pushed back to the 13th of June. We ask all parents to re-read the Sponsorship Form and sign the front page to grant permission for their child to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to Disneyland! Please bring back in your Sponsorship Forms with the money you have raised as soon as possible.

Reforms to P & C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parents and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of the school P&C Associations.

Each school’s P &C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors will serve on the federation’s Board of Management.
