Term 3 Week 5

Principal’s Report… By Leanda Guy

Super Centre Super Stars—Well done to all of our very talented students for their excellent performance and speeches at the Gelndale Super Centre today. The drumming was excellent and the public speakers contended with additional noise sources very well.

We received many positive and supportive comments from spectators who were very impressed with the students. Well done everyone and a special thank you to the parents who assisted with transporting our Juniors down to the centre.

Zone Athletics Carnival
Today we had eight students participate in the Field event section of the Zone carnival and on Monday we will have a further 16 students attend the Track session.
Mrs Guy will be accompanying the students on Monday.
Great work to all of our competitors today we are really proud of you.

Our Keys to Success winners for the last two weeks were Nathan J and Caitlyn F for Confidence. Well done both students who have shown that by being confident enough to have a go they are learning all of the time. It is always good to remember that everyone can make a mistake but confident people learn from these and succeed more often.

“Confidence comes from not always being right but not fearing to be wrong.” (unknown)
