Principal’s Report… By Leanda Guy

Torch Relay— We have been invited to have two students from our school participate in the Torch Relay for the upcoming Children’s Games. Our school representatives will be Samantha Ferguson and Georgia Fairall and they will run with the torch for about 150m from the round-a-bout at Warners Bay near the butchers shop towards Speers Point Park. The relay will now take place on the 17th of October.

New Enrolments for 2015.
If you know of anyone in the area who is interested in enrolling a child for 2015 could you please let us know so that we can send some information out or so that they can come up and collect an enrolment package.
This really is the best small school on the western side of the lake and we need to get that message out.

Thought for the day.

Office News...

**School Banking is coming.** Argenton PS has joined with the Commonwealth Bank to launch the School Student Banking Program. Representatives from the Bank will be at our assembly on Friday to show us the program. Parents are invited to come along and get all of the details from the banking representative. Children can bank as little as .50 cents per week and they will be rewarded with a sticker each time they bank that will accumulate into a banking reward. The rewards are currently displayed in the office. Please see Mrs Ryan for any further information. The banking representative will be in front of the school office next Monday to join students to the program. An information envelope will be sent home with your child on Friday.

When sending money in to school could we please request that it is sent in an envelope with the student name, class, amount of money and what the payment is for noted on the envelope. We will issue a receipt for money sent to school so you can keep track of what you have paid.
